**SIZES:- For a comfortable fit, measure chest, waist, hips, at widest point. Short sleeves reach mid upper arm on most persons. Long sleeves reach wrist length on most persons. Gowns are below the knee on most persons. Men's and Women's Tops reach mid-thigh on most persons. Singlets are below waist. Trousers are made to the universal regular length per garment size. Apparel is heat-treated to resist further shrinkage in commercial laundering. Hems/cuffs and seams are reinforced to resist unravelling under harsh laundering. Customers can expect modern fabrics and modern styles; after all, our products are made by Glam'N'Style! Ladies nighties are styled in super soft polycotton nightie fabric in delicate plain colours and feminine prints. Men's sleep shirts are available in either marle grey, or, blue marle polycotton interlock. Men's pullovers are available in plain colours of maroon, sage green, olive green, navy blue, rust, pistachio; in winter weight, or lighter weight 100% polyester knit fabric. ALL casual wear is 100% polyester shrink-resistant fabric.**
